

Q8 e-tron 50

advanced
Sportback advanced

Practical sustainability,
greater heights

**Experience luxury in
innovation**
with developments in
infotainment and ergonomics
for an elevated experience.

**Electrifying
performance**
combining effortless
acceleration and
impeccable range figures.

Stay calm and collected

With a scheduled departure time for your journey, the Q8 e-tron is capable of automatically cooling down or warming up the cabin before you even get in for seamless comfort.

Safety by the numbers

As standard, the Q8 e-tron is equipped with a wide range of active Driver Assistance Systems which serve to keep you on the road and out of harm's way.

Going the distance

Travel up to 491 kilometres on a single charge, or 505 kilometres in the Sportback*.

Cruise in complete comfort

With a highly advanced Adaptive Cruise Control system, you can relax as the Q8 e-tron automatically regulates its speed and distance based on the traffic and conditions.

* In accordance with the Worldwide harmonized Light vehicles Test Procedure

Audi Q8 e-tron advanced 50 quattro
