

RS 6

Avant performance

The pinnacle
of practical
performance

Family-sized fun

Combining incredible performance
with ample cargo capacity.

Inspiring confidence

with quattro all-wheel drive and
a sports rear differential for added
agility.

Unprecedented power

The most powerful RS model we've ever created, with a twin-turbocharged 4.0-litre V8 singing to the tune of 630 PS and 850 Nm of torque.

Corners conquered

The traction advantage of quattro all-wheel drive is supplemented by the rear sport differential, aiding you on corner entry and providing an additional level of excitement on corner exit.

Information centre

Everything you need to see is on display with the Audi virtual cockpit plus, allowing you to customise readouts and layouts to suit your exact preferences.

Light the way forward

HD Matrix LED headlamps with laser lights provide incredible clarity, with RS specific start-up sequences for both the daytime running lights and dynamic indicators.
